Winter Storm Warning for February 13, 2024

Due to the expected winter storm on Tuesday, we are encouraging all employees to utilize any of our notification systems, to monitor updates as the storm progresses.

Notification options include:

- EB Landing
- Automated message system via 401-268-BOAT (2628)

While we intend to be open for business on all shifts, employees should monitor updates (via the methods above) on parking lot closures, modifications, or other related announcements. Additionally, we will be providing real time updates on the digital signs along Route 403.
