

Dan Masood

EBVN Quonset Point Site Lead

DAN MASOOD

WHY DOES THE EB VETERANS NETWORK MATTER TO YOU?

I WOULD HAVE NEVER GUESSED I WOULD END UP BEING CHAIRMAN FOR A COMMUNITY OF OVER 2,000 VETERANS THAT WORK AT EB QUONSET POINT.

WE PARTICIPATE IN EVENTS THAT PROVIDE VETERANS WITH HOUSING SERVICES, LEGAL AND MEDICAL NEEDS, JOB ASSISTANCE AND MANY OTHER COMMUNITY OUTREACH FUNCTIONS.

MY GOAL AS CHAIRMAN IS TO BE ABLE TO ASSIST IN BOTH GROWING THE NUMBER OF EMPLOYED VETERANS HERE AT EB, AS WELL AS CONTINUE TO GROW OUR COMMUNITY OUTREACH RELATIONSHIPS TO HELP VETERANS IN NEED.

Electric Boat Veterans Network

Who is Dan Masood?

I started my career at Electric Boat as a Pipefitter in 2014. From there I spent some time in Rigging, and now work in Dept. 935, Quality Assurance. I am currently the team leader for a crew working in QP's Bldg. 2019 on the Columbia missile tube project and am pursuing my goals of becoming a supervisor so I can further my career at Electric Boat.

I am also a current member of the United States Air Force Reserves. I deployed to Afghanistan in support of Operation Enduring Freedom (OEF) in 2012. I have served with pride and professionalism for 16 years. That pride has transferred to raising my two daughters, Mackenzie (6) and Abby (3), with my wife Kimberly. I love spending time with my family, more specifically coaching my oldest, and soon youngest, hockey teams.

Why do you like working at Electric Boat?

This biggest drive I have to grow here is the product we build. Being a member of the military, I

have seen first-hand what our assets can do in action. To now be involved in the manufacturing of the number-one advantage in the U.S. arsenal is mind blowing. During my short six years here I have seen similar traits I love from serving in the USAF. Those traits of integrity, professionalism, discipline, and pride are true core values that I live by. It is a real honor to be part of a team that delivers this advantage to the United States Navy.

Why does the EB Veterans Network (EBVN) matter to you?

When I was approached a couple years back to join the EBVN, I would have never have guessed I would end up being the Chairman for a community of over 2,000 veterans who work at EB Quonset Point. During my time in the EBVN, we have grown relationships with other community groups that support the needs of veterans. We participate in events that provide veterans with housing services, legal and medical needs, job assistance and many other community outreach functions. My goal as Chairman is to be able to assist in both growing the number of employed veterans here at EB, as well as continue to grow our community outreach relationships to help veterans in need.
